Subject: Affiliation Confirmation for the Term Ending 31 March 2026

Dear Sir/Madam,

This is to formally confirm that SBS Sports & Cultural Club is affiliated with the New Zealand Kabaddi Federation (NZKF), the recognized national governing body for the sport of Kabaddi in New Zealand.

Your affiliation is valid for the current term and will remain in effect until 31 March 2026, subject to compliance with the rules and regulations of the Federation.

We appreciate your continued contribution to the promotion and development of Kabaddi in New Zealand and look forward to your active participation in upcoming national and regional events.

Please consider this letter as official confirmation of your club's affiliation with NZKF for the stated period.

Should you require any further information or documentation, feel free to contact us.

Yours sincerely,

Tirath Singh Atwal

# ■ Social Responsibility

## Giving Back to the Community

The Club supports a number of local charities and community groups as part of its Club Social Responsibility (CSR) Programme. During a difficult year in 2020, due to the pandemic resulting in a national lockdown, our programme successfully expanded to include meals prepared by our furloughed chefs for donation. In addition to this, the Club ran a successful food box campaign, putting together and delivering over 1000 food boxes to vulnerable members of community.

Many members and staff have told us how positive their experience was of being involved in the packaging and distribution of food during lockdown and have expressed a wish to become more involved in similar activities supporting the local community.

We will be encouraging members and staff to come up with ideas, volunteer their time and services, and to donate in order to support these initiatives. We hope that, as a Club, we can make a meaningful and positive contribution to wider community.

# ■ Our Income

**In order for our club to become long-term financially sustainable, we shall have to develop income streams from different sources and build relationships with a variety of funders, partners, customers and others.**

## **Our Income Sources**

**Sponsorship**

**Fundraising**

**Event Tickets**

**Grant funding**

### **Sponsorship**

Sponsorship is a great way to generate income and form a partnership with a local business or organisation. Sponsorship isn't free money however. It requires time and resources to be successful and it should be seen as a two way mutually beneficial relationship between club and the sponsor.

### **Fundraising**

Raising money from fundraising and social events is a great source of income as well being an excellent way to bring our members together. By involving members other than the committee to organise events give them the opportunity to feel they are doing their bit to support the club. The list of events we can run is endless and often the more imaginative the better.

### **Grant Funding**

If our club needs financial support for something more than day to day expenses, for example help to improve our facilities, buy equipment to make your sport more accessible or to develop a new sports programme in our local area then grant funding may be available. There are a number of different national and local funding programmes that our club may be able to access.
